

RURAL MEDICINE INTEREST GROUP

RIG

Why rural medicine?

Rural medicine is an **imperative** and often **underserved** field of medicine. You can choose from a variety of **specialties** and make a meaningful **impact** on your community by choosing a career in rural medicine!

Can I specialize if I practice rural medicine?

YES! There are a plethora of **specialties** that are available to those who practice rural medicine including but not limited to **dermatology, cardiology,** and even **neurosurgery!**

Are there loan repayment options for commitment to practice in rural areas?

YES! The **NHSC** has loan repayment options for individuals who commit to practice in rural areas. More information can be found on their website: <https://nhsc.hrsa.gov/loan-repayment/nhsc-rural-community-loan-repayment-program>

Make a meaningful impact
on your community with a
career in rural medicine!

Stay tuned for more information about
what **careers** look like in rural medicine,
how to complete **research** while practicing
rural medicine, and if **loan repayment**
options might be available to you.
