

TurningPoint student account creation

You will be using the TurningPoint app on your mobile device for audience response during classes.

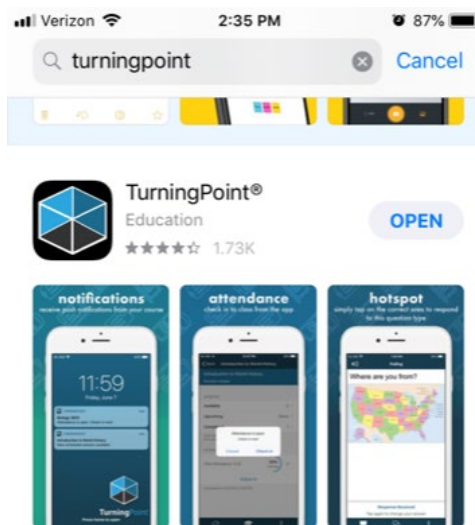

You will need to create and setup your TurningPoint account prior to Monday 8/2/2021. Upon creating your account you then need to redeem your pre-purchased subscription code (available from your MedScope Portfolio) and verify you can login to the account you created

You can create your account using one of the following web browsers (EDGE, CHROME, FIREFOX, or SAFARI) using the instructions below or from your TurningPoint mobile device app by selecting “Sign In”, entering your SOM email and then select “Create Account”.
